The College

Dulwich College is an academically selective independent boys' school in south east London with a tradition of inspired teaching, genuine scholarship and co-curricular breadth.

Situated in 70 acres, yet only 12 minutes by train from central London, the College enjoys outstanding academic, co-curricular and sporting facilities, including The Laboratory, a RIBA National Award-winning Science and Arts building. There has also been an extensive refurbishment of its iconic Grade II* listed Barry Buildings and surrounding landscaping.

There are approximately 1630 boys on the school roll, of whom some 130 are boarders. There is a strong history of diversity at the College, reflecting that of south east London generally, but also that we are committed to an expanding programme of means-tested access. Currently about 30% of pupils have such an award but we hope to increase this to 50% in the coming years.

Further information about the College can be found on our website

Welcome

Thank you for your interest in working at Dulwich College. We are a school committed to providing a wealth of opportunities to pupils and colleagues within a nurturing, equitable and caring ethos.

The College comprises a hard-working and diverse operational staff of 384 and a teaching staff of 239 which serves a pupil body of around 1,850 across the Senior School and Junior Schools and a co-educational nursery and infant school at DUCKS.

Dulwich College is committed to an ambitious educational vision and social mission: our educational vision is to provide an inspiring education based on the primacy of the classroom within a holistic education; our social mission is to provide access to our education for children of all backgrounds through our bursary provision and the partnership and outreach work carried out by pupils and staff. There are currently 205 pupils at the College benefiting from means-tested bursary support with an ambition to increase this number in the years ahead.

Through the work of our [Diversity and Inclusion Alliance](#), wider Pupil Voice initiatives, and through our forward-looking approach to the environmental sustainability, our ethos is one of equity, diversity and inclusion for our pupils and colleagues.

Do read the profiles of some of our staff in this candidate pack and you'll also find details of some of the benefits of working at Dulwich. Dulwich College is an excellent place to work where we help staff develop their expertise and experience. You can find out more about every aspect of a College education and our commitment to our wider community on our website www.dulwich.org.uk

“Pupils are exceptionally adept at developing learning styles that suit them individually”

ISI Report, Nov 2021

The role

Rowing

Rowing has gone from strength to strength at Dulwich College, and is a very popular sport among our pupils. We are fortunate to have our own modern, fully equipped boathouse on the Thames at Putney, the home of the Dulwich College Boat Club. Pupils also have use of our rowing specific ergo room in the PE Centre where they complete their land training.

We offer Dulwich rowers the opportunity to develop and fulfil their potential on the water, catering for all abilities and aspirations. Whether the boys are interested in rowing at the highest competitive level or simply for pleasure, the DCBC is open to all. Athletes begin learning the discipline in Year 9 and there are rowing courses and training camps, both here and abroad, held during the holidays for boys to help develop their skills.

Benefits

The College provides a strong sense of community that runs through all departments promoting a positive culture.

In addition to an attractive and rewarding salary package, great benefits are offered to staff (subject to terms and conditions):

- Free lunch
- Free gym membership
- BUPA Health cash plan (including 24-hour confidential employee assistance programme)
- Subsidised accommodation
- Fee remission
- Cycle to work scheme
- On-site parking with electric vehicle charge points
- Discounted rates for private functions at the College
- Discounted rates for use of the Outdoor Centre in Wales
- Free entry to the Dulwich Picture Gallery

Parent, **The Good Schools Guide**

Isabelle Beckett
Alumni Relations
and Events Officer

I joined Dulwich College after the pandemic resulted in redundancy from my previous role organising corporate events. When the job market opened up, I decided to take the opportunity to move into the charitable sector. My role at Dulwich College is exactly what I was looking for, combining event organisation with people relations, and allowing me the opportunity to develop new skills such as social media management. I am based in the Development Office, working in a small but collaborative team who are incredibly supportive. There are often opportunities to work with, and get to know, other departments; the sense of community is one of the things I like most about working here.

Leslie Okyne
Transport Manager

My role in my previous company as a Sales manager in a passenger transport firm meant that I had to manage a few accounts, including Dulwich College's (Foundation Schools' Coaches) account, as we supplied them with daily coaches. When I bumped into the Transport Manager role on the Indeed website, I did not hesitate to apply for the job, and was very chuffed when I was successful. Working in this capacity has taught me a lot in five years, and Dulwich College has allowed me to blossom into a more responsible individual. Working here has enabled me to acquire new leadership skills and has taught me how to adapt quickly to change.

Don Mackintosh
Teacher

After several years as a corporate lawyer followed by teaching in other schools, the College offers the most enjoyable working environment I have encountered. The friendliness of colleagues across the school is striking. My department is a hub of collaboration, advice, and humour. In my teaching practice I am given independence, while still receiving plenty of training and feedback to refine my pedagogy. Pupils are pleasant and hungry to learn. Something I have particularly appreciated is the way that co-curricular opportunities share an equal billing with academics. Some of my teaching allocation is given over to sport, rather than fitting it on top as an extra burden, which has given me space to develop my coaching skills as well as providing an ideal professional balance inside and outside the classroom.

Hafsa Adan
Lead Nurse Elect
and Boarding House Nurse

Working for the NHS since completing my Nursing Degree I never would have thought that I would move to the private sector. However, this has proven to be the best career decision I have made. I can confidently state that I am able to work within an environment and culture that appreciates my hard work and knowledge. I am able to utilise my skills gained from working as a Junior Sister in the hospital and School nurse for the NHS. My managers are very supportive in providing resources to enable evidence-based practice and safe environment to work. This allows me to offer high quality care from minor injuries to emergency situations and health promotion to staff, students and parents. The positive culture, the warmth from my colleagues and positive attitude from students makes DC a pleasant place to work.
